Dear Ladies & Gentlemen,

Regularly held International specialized exhibition-sale of modern equipments and technologies for agro-industrial complex of the republic "Uzbekistan Agrotech Expo-2018" and exhibition of agricultural techniques and machines "Uzbekistan Agromash Expo-2018" have took the leading place among the exhibition events of the region.

For period of the successful holding of the exhibitions-sales from 2006 to 2017, their participants were more than 1000 companies from 60 countries of the world, including Europe, Israel, South Korea, China, Turkey, Russia, Belarus, Ukraine and other countries. Over 200 thousand representatives of small business, agri-firms, farms attended the exhibitions. According to the results of last year's exhibitions more than 4000 contracts were concluded and realized for the delivery of equipment exhibited.

In 2017, 155 companies took part in the exhibition, among them 83 foreign companies from Turkey, Germany, China, Iran, the Netherlands, Belgium, France, Sweden, the Czech Republic, Bulgaria, Russia, Ukraine, Latvia and other countries, 1798 contracts were concluded for a total of USD 113.2 million.

In the light of abovementioned, we have honor to invite you to take part in the XIII-th International Specialized Exhibition-Sale "Uzbekistan Agrotech Expo-2018" and VII-th International Specialized Exhibition of agricultural techniques and machines "Uzbekistan Agromash Expo-2018", which will be held from May 30 to June 2, 2018 in Tashkent at Central Pavilion and outdoors of "Uzexpocentre" National Exhibition Company.

The exhibition includes the following thematic sections: "Manufacture and Processing of Fruit & Vegetable Products", "Manufacture and Processing of Meat & Fish", "Milk production", "Veterinary science", "Manufacture of Bakery & Pasta", "Labels, Printing, Packaging, Tare", "Technologies of freezing", "Chemicals for Plant Protection, Sprayers", "Technologies for Horticulture and Greenhouse Complexes", "Technologies and Equipment for Development of Livestock, Poultry and Beekeeping", "Alternative Energy", "Equipment for organization of cottage work (sewing machines, carpet weaving, etc.)". During the exhibitions, the seminars and presentations will be organized according to the thematic sections.
